Jeanette,

I would start by making a Word document with a list of folders that are in the box. Once that's done, please email it to me and I can walk you through the next step of entering it into Versatile. Hope that helps! Thanks.

I have a box of contracts on my old desk and I need to do something with them. Where do I start? Please give me your expert advices. Thanks a lot!

The box of contracts that can be sent off is on your desk. These contracts are not old enough to destroy. Please prepare them per our earlier conversation.
